

Create high quality jobs

for residents who face the greatest barriers to employment.

Connect residents to jobs

and economic opportunities, especially those who face the greatest barriers to employment.

Reinvest in disinvested communities

and address long-standing disparities in access to education, capital, economic opportunities, and climate resilience.

Stabilize housing

and expand affordable housing options for households with low incomes and renters who are housing insecure.

Create wealth-building opportunities

for households with low wealth.
